1989 Falcon 900B SN 55 N131LG

Interior:

(2020 Interior Transformation - Seating for up to 16 Pax by Duncan Aviation)

Duncan Aviation STC, modified for high-density, 16-passenger occupancy, including eight single seats and two 4-place divans. The seat leather is a light creamy color with black welt cord accents. The lower sidewall is black leather with an embossed pattern and contrasting stitching. The galley counter is a light solid surface with a subtle grain. The dark, straight grain veneer was applied vertically for a classic finish. The carpet is a simple plaid with shades of black, grey, and cream to coordinate with the seats and divan. A coordinating vinyl floor was selected for the galley for more durability and ease of maintenance.

Additional amenities include a modified drink rail design with a thinner profile, Duncan Aviation-designed PSU and blue lighting in the cup holders providing a modern and updated look.

Exterior:

(2020 Paint by Duncan Aviation)

Matterhorn White Upper Fuselage w/Arc Blue Lower Fuselage, Starlight Silver & Black Metallic Accent Striping.
