## 1997 Hawker 800XP SN 258329 N709LP

---

### Interior:

- o New Interior, November 2005 at Raytheon Aircraft Services – Little Rock
- o Solid Cabin Window Installation 3/27/13 by Lee Aerospace 5

### *Forward Cabin*

Forward Galley Located on the Right-Hand (R/H) Side & Entryway Closet

The absence of a bulkhead or cabin door on the forward left side opens the visual space significantly.

### *Seating*

Forward L/H Three (3) place divan (replaces standard dual club seating)

Five (5) Individual Chairs

### *Aft Belted Externally Serviceable Lavatory & Baggage Area*

Deviating from the standard Hawker 800XP lavatory configuration. In this layout, there is a fold-down sink above the toilet instead of a full cabinet. This change allows for an L-shaped baggage compartment, which is larger and more accessible than the standard straight-aft baggage layout offering increased storage volume.

### Exterior: New Paint 2021

Overall Matterhorn White with Dark Green Tail/Fuselage w/Burgundy Accent Striping.
