

## Global 6000 s/n 9682

### Highlights:

JetTransactions presents for sale this exceptional one owner since new, Global 6000. The aircraft is US Registered and hangered on the west coast. It features two high speed data systems, Aircell for domestic and a KA Band high speed data system for international use. This Global 6000 is equipped with the Crew Force Measurement System for Part 135 operation and is currently on a charter certificate. In addition, it has accommodations for 2 crew in its larger crew rest with fold down bunk that enables the aircraft to fly Part 135 for up to 12 hours. Comfort and amenities are plentiful, and the aircraft was completed extra wide seats and the "Prestige" Package Soundproofing. Please contact our office for a showing or additional information.
