FXSOLUTIONS 

WE ARE COMMITTED TO IDENTIFYING THE BEST AIRCRAFT THAT MEETS YOUR BUSINESS OR PERSONAL NEEDS

Whether procuring the perfect pre-owned aircraft or negotiating a new aircraft order, our highly experienced team will search the globe to find you the right aircraft.

AVIATION INDUSTRY AND BROKERAGE EXPERTS

EXPLORE. BUY. SELL.

From jet acquisitions, brokerage, or consulting, FXSolutions can work with you every step of the way. Our aviation experts will provide you with an insightful and transparent analysis to give you the most comprehensive perspective of ownership based on decades of experience.

WHO WE ARE

FXSolutions, is powered by the resources of Directional Aviation and the collective knowledge of owning, operating, and maintaining the aircraft within our premier network. With an emphasis on the importance of trusting relationships between buyer, aircraft broker, or seller — we believe it's the personalized approach that makes the difference.

As the exclusive aircraft broker of Flexjet and all Directional Aviation companies, FXSolutions offers the dedicated resources and extensive maintenance expertise of a global aviation leader, while providing the personalized and dedicated service that only comes with nearly 40 years of industry-proven experience.

Our extensive network of IADA-accredited aircraft brokers has full access to all our aircraft listings — while each jet undergoes a pre-purchase, comprehensive review that eliminates unexpected costs at close and helps ensure a satisfactory transaction closing for you. Since our inception in 2010, FXSolutions has generated over 2 billion dollars in total sales transactions, a metric reflective of our extensive history.

WORLD-CLASS. CUSTOMIZED. COMPREHENSIVE.

Relationships are the foundation and strength of our business at FXSolutions.

SERVICES

By applying a wide focus to available aircraft categories and offering competitive advantages seldom found elsewhere, our informed approach to jet brokerage translates into unmatched market awareness and an insightful technical sales team that prioritize your experience.

1 CONSULTATIONS

Whether you are interested in purchasing an aircraft, selling your existing aircraft, or evaluating your total private travel solution — the FXSolutions Team will provide you with a current and in-depth market analysis featuring the current trends, forecasts, and options available for your unique requirements.

2 ACQUISITIONS

After an in-depth consultation to find the aircraft that suits your mission, we will search the globe using our market data system and our global network of aircraft brokers. Once we have identified your aircraft, our team will manage every step of the transaction from the initial letter of intent, to the delivery flight, to ensure a seamless purchasing experience.

3 SALES

Looking to sell? Our experienced aircraft brokers will provide an in-depth analysis of your aircraft, and our research team will determine the optimal selling price; helping you manage the entire sales process from start to finish.

4 FINANCING

We have relationships with independent full-service financial institutions specializing in global aircraft acquisitions. Our experienced team members can assist you in determining the most appropriate finance or leasing option.
