JETPRO Texas, located in McGregor Texas at The McGregor Executive Airport- KPWG.

JETPRO was founded in 2001 and is an inventorying dealer of corporate and business aircraft with a focus on modern turboprop aircraft. With strong financial backing we have the ability to purchase aircraft in a swift and discrete manner providing the seller with a straightforward and amicable transaction.

The logo for JETPRO TEXAS features the word "JETPRO" in a large, stylized font. "JET" is rendered in a light blue color, while "PRO" is in a dark grey. Below "JETPRO" is the word "TEXAS" in a smaller, dark grey, sans-serif font. A graphic of a jet airplane is positioned behind the text, flying from left to right. A curved line, colored light blue and dark grey, arches over the "JETPRO" text, following the path of the jet's tail.
