Interior:

This Citation XLS+ features a spacious and comfortable 9-passenger interior. The cabin is configured with six pedestal-mounted seats arranged in a single club layout, all upholstered in elegant cream leather. Additional seating includes a forward right-hand side-facing two-place divan and an aft side-facing belted seat located across from the lavatory. The cabin is appointed with high-gloss wood veneer finishes throughout, enhancing its refined and luxurious atmosphere. Stowable executive and slimline tables provide convenient surfaces for dining or productivity during flight. Additional amenities include a non-belted, externally serviceable flushing lavatory. Passengers can enjoy in-flight information and entertainment via the Rosen FlightView Moving Map System displayed in the cabin.

Exterior:

Overall Snow White with Dark Green and Gold colored stripes

GET THE EDGE

Not just aircraft brokers, we have the entire lifecycle of aircraft ownership **covered**

ANALYZE

Study the client's needs and make a plan. Our analytical fleet plans, feasibility studies and other consulting products ensure a sound financial and operating plan for the client. See it in action [here](#).

BUY

Procure what is required for the plan. Market intelligence & intuition second to none. See our acquisition process, track record & market analytics [here](#).

MEASURE

Measure the plan regularly to make sure it is being carried out effectively. We offer quarterly monitoring services to make sure what was the plan still should be the plan and the plan is efficient, cost effective and managed properly. See it in action [here](#).

SELL

If assets are to be sold as part of the client's plan, we carry out the sale efficiently. See our professional and efficient brokerage services in action [here](#).

TECHNICAL SERVICES

A depth of technical services are available for every step of the client's plan. See how our in-house technical services can be put to work for you [here](#).
