2020 Daher TBM 940 (N944EA)  
S/N 1326

**SPEC  
SHEET**

We are proud to bring to market N944EA, a 2020 TBM 940 with all the right avionics options including HomeSafe and Autothrottle technology! The capability of 330kts, 1500nm+ range and operating from short fields matched with the incredible cockpit suite of Garmin G3000 tied together with the latest safety features of Auto-Ice Detection, Emergency Descent Mode, and Electronic Stability & Protection make the TBM 940 one of the most desirable aircraft in the segment. N944EA has been professionally flown since new and maintained under part 135 regulations. The aircraft is undergoing a Hot Section Inspection (HSI) right now! If you are looking for a fully equipped, highly looked after TBM this is it.

Additional high-res photos and complete logbooks are available upon request

Low rates and flexible term financing is available, so call us today to learn more about this aircraft.
