FOSTERING CONFIDENCE

2010 HAWKER 400XP

SERIAL NUMBER RK-604

PERFECT BALANCE OF EFFICIENCY & COMFORT

Built as an improvement over its predecessor, the Beechjet 400, the Hawker 400XP is a comfortable cabin experience for the light jet class that balances excellent performance with low operating costs.

The aircraft can carry passengers over 400 KTAS for nearly 1400NM and boasts the fuel-efficient Pratt & Whitney JT15D-5 turbofan engines. The short field performance makes it accessible to thousands of airports. In addition to a flat floor and versatile seating, passengers have access to interior baggage that is both heated and pressurized.

This blend of efficiency and comfort makes the Hawker 400XP an excellent choice in the light jet market.

PERFECT BALANCE OF EFFICIENCY & COMFORT
