The apex of the 650 series is the Citation VII, introduced for the 1992 model year. The VII was Cessna's biggest and fastest Citation until the advent of the 750 series, better known as the Citation X, in 1996. The VII took the III one better with higher thrust engines that boosted takeoff, climb, and cruise performance. A maximum takeoff weight increase, new avionics, and improvements in creature comforts rounded out the package to set the VII apart from the III. The big difference in the VII is the engines, which are 4,140-lb Honeywell TFE-731-4 featuring digital electronic engine controls (DEECs), the precursor to today's FADEC systems. The DEECs provided electronic engine control, relieving the pilots of overspeed and overtemp protections, most notably during takeoff.

All 650-series Citations are certified to FL510, although you'll likely never see one that high. Best speed/efficiency/payload numbers are achieved in the high 30s and low 40s. Expect around 460 KTAS/M0.83 at FL410, burning about 1,700 pounds per hour, in a Citation VII. While all 650-series Citations can achieve similar cruise speeds, the VII gets a bigger load off shorter runways and up to altitude in a shorter time. Expect about 18 minutes to reach FL370.

KEY FEATURES

- Engines on MSP GOLD
- APU - 80 Hours SOH
- Refurbished Interior 2023
- NO Damage History
- On CAMP
- Dual Garmin GTX-345 / 335

AIRFRAME

TT: 10,976 Total Landings: 7806
RVSM Compliant Certified Part 91

ENGINES

ENGINE(S): TFE731-4R-2S
Enrolled on MSP Gold
LH: 9878 TT (1368.8 hrs since MPI) -
7103 Cycles
RH: 5806.7 TT (123.6 hrs since MPI/CZI) -
4231 Cycles

APU: GTCP36-150W
4595 hours - Enrolled on MSP Gold
80 hrs since Overhaul

INTERIOR

Refurbished interior 2023
Interior is very clean with new leather seats
cockpit, cabin, couch and lav
New vinyl center floor and steps
Executive/9 passengers
Seating: Beige leather seating, six mid-cabin
club seats, 2-place side-facing divan
Headliner: Cream headliner
Sidewalls: Beige lower sidewalls
Carpet: Light beige carpeting
Refreshment: Forward galley w/MAPCO
High-gloss wood veneer cabinetry
Entertainment: CD player, DVD player w/dual
personal viewer ports at seat 2, single
personal video screen
Accessories: 110-volt power outlet
Storage: Forward right side closet
Lavatory: Enclosed belted flushing aft lav
w/vanity

EXTERIOR

Matterhorn white w/silver, gray & blue accent stripes
Touched up in 2016

AVIONICS

Autopilot: Dual Honeywell SPZ-8000
ADS-B Equipped
EFIS: Five Tube Honeywell SPZ-8000
Flt Dir: Dual Honeywell SPZ-8000
Comm: Dual Collins VHF-22A
Navs: Dual Collins VIR-32A
DME: Dual Collins DME-42
Xpond: Dual Garmin GTX-345 / 335 (ADS-B In & Out)
Hi Freq: King KHF-950
Wx Rad: Sperry Primus 870 Color
TCAS: BFGoodrich TRC-791 (TCAS I)
TAWS: Honeywell Mark VII EGPWS
GPS/FMS: Dual Global GNS-XLS

ADDITIONAL EQUIPMENT

RVSM & TAWS Compliant
406 ELT
Lead Acid Batteries
CVR Air Data Computer
AOA Indicator Pulselight System
Aircell ST-3100 Satphone
Pilot & Co-pilot 28VDC Power Outlets
110V Power Outlet in Cabin
MidContinent USB dual clocks
AirTEXT Airshow with text and email function

MAINTENANCE

All logbooks complete and up to date.
On CAMP(CESCOM) and all up to date.
DOC 5 (24M / 800 hr) due 11/24
DOC 8 (36M / 1200 hr) due 6/24
DOC 11 (72M) due 8/25

TERMS OF SALE

Unless superseded by specific terms of a ratified contract, all aircraft offered by or through Omni International Jet Trading (OMNI) are subject to purchasers acceptance of the following terms and conditions:

SPECIFICATIONS - OMNI uses its best efforts to provide accurate information about the aircraft we represent. However, the information provided by OMNI has not been independently confirmed or audited. Accordingly, it is not warranted for accuracy and is subject to verification by the purchaser. The responsibility for "Due Diligence" to determine the aircrafts condition and suitability rests solely with the purchaser and its agents.

THE OFFER or LETTER OF INTENT - Purchaser's are required to submit a detailed written LETTER OF INTENT (LOI) or OFFER. We can assist with preparation as needed. All aircraft shall remain available "On the Market" with no rights created for a potential purchaser until a written agreement has been fully executed and ratified by both parties plus an acceptable good faith deposit has been tendered with a reputable escrow company.

THE DEPOSIT - A refundable deposit of at least 2% of the purchase price must be wire transferred to a reputable escrow company before any aircraft will be removed from the market. The "Remitter" of the deposit to the escrow company must be the same as the "Purchaser" on the Offer or Aircraft Purchase Agreement. The deposit becomes non refundable after completion of the technical inspection and written "Acceptance" of the aircraft by the purchaser.

THE PURCHASE AGREEMENT (APA) - All transactions are subject to execution of a mutually agreeable Aircraft Purchase Agreement (APA), which shall be ratified no later than ten (10) business days after the seller's acceptance of the LOI and prior to any technical inspection. If a mutually agreeable APA is not ratified within 10 business days, then all rights and obligations to the other party shall be terminated. At time of closing, all sales are final with no continuing warranties of condition whatsoever. The risk of loss shall transfer at the time of closing and payment.

COST OF MOVEMENT - The purchaser is responsible for all direct costs of movement of the aircraft related to the pre-purchase inspection, test flight or delivery flight. The costs shall include but not be limited to: fuel, engine reserves, crew daily rate, landing or facility fees and crew return flights. Costs shall accrue from the aircraft's home base to the inspection facility and return in the event that the aircraft is rejected for any reason.

INSPECTIONS - Our goal is to allow the purchaser ample opportunity to inspect the condition of the aircraft. However, the ultimate burden of "Due Diligence" to determine that the aircraft is acceptable - rests solely with the purchaser and its agents. OMNI is a marketing company and does not provide technical services, nor have we independently verified the condition of the aircraft. All costs of any technical inspection shall be at the expense of the purchaser and pre-paid in advance. Any test flights or operation of the aircraft prior to closing shall only be conducted by the sellers crew. Upon request, we would be glad to recommend reputable inspection facilities.

CONDITION AT TIME OF SALE - Unless otherwise stated, the aircraft is offered in "airworthy" and "returned to service" condition. This does not include repair of any cosmetic or non airworthiness related discrepancies. At time of payment and closing, the aircraft is purchased on an "AS-IS" and "WITH ALL FAULTS" basis. There are no warranties of condition whatsoever subsequent to title transfer and payment for the aircraft.

TAXES - The purchase price does not include any amounts for sales tax. Any sales taxes shall be at the sole expense of the purchaser. We recommend that closing and delivery occur in "tax friendly" states. Some states have or immediate "fly-away" rules pertaining to the sales tax. Additionally, there are exemptions for buyers with dealer resale certificates. Should a closing and delivery occur in any state where a sales tax is required, the seller may require collection at time of payment.

MISCELLANEOUS - Final payment, closing and delivery shall be simultaneous. Simultaneous payment and transfer of title is usually conducted through an established, reputable and neutral escrow company acting as an independent 3rd party facilitator. Escrow fees are split equally 50%-50% between buyer and seller. No agency is created between OMNI and any party unless expressly done so in writing. Purchasers may be subject to United States "KYC" (Know your Customer) and Patriot Act requirements and policies.

All specifications are subject to verification by the purchaser during an inspection. This aircraft is offered subject to prior sale or removal from the market without notice. No rights shall exist without a ratified purchase agreement and deposit.

OMNIJET

AIRCRAFT SALES & ACQUISITIONS

Washington DC

Since 1963

ABOUT OMNIJET:

In 1963, Wayne J Hilmer Sr and Omni Aircraft Sales were purchasing aircraft even prior to getting his pilots license. Omni's offices were located at Hyde field just south of Washington DC and it pioneered the first generation pre-owned jet market. In 1967, Omni moved its offices to the Watergate complex in downtown Washington. In 1976, the company changed its name to the **Omni International Jet Trading Floor** and deployed the industry's first comprehensive database on an IBM AS400 mainframe computer. In 1980, nearly 20% of the entire pre-owned inventory of aircraft were listed exclusively with Omni. From 1963 to 1988, Mr Hilmer Sr was directly involved in approximately 1000 aircraft transactions. In 2024, Mr Hilmer Sr is still an active consultant to our team.

Omni's current CEO, Wayne J Hilmer Jr has over 47 years in aviation after his first solo flight at age 16 in 1977. He attended Fork Union Military Academy in 1978 and 1979. In 1980, he attended **Flight Safety International** in Vero Beach and earned a his commercial, IFR and multi-engine pilot ratings. In 1983, he graduated with a Bachelor of Science degree from Davis & Elkins College – Elkins, WV with majors in Accounting & Finance, Marketing and Management. He immediately started working for the Omni Jet Trading Floor in 1983 as a researcher. He moved into sales in 1985 and merged into Omni's FBO operation Easton Jet as company president in 1990. He has approximately 3000 hours pilot in command and has owned and operated many aircraft. His experience in aviation is truly "lifelong". Since 1983, he has been directly involved in the sale of over 1200 private jet aircraft. He has earned the trust of many jet owners and operators.

BUYER & SELLER REPRESENTATION

OMNI guides both buyers and sellers into realistic relationships based on current market conditions. Our relationship network in the industry is vast and our commitment to integrity is the unwavering foundation of our success. We offer clients complete solutions in the sale of their aircraft for the highest price in the shortest time.

For the same reasons you might hire an accountant, lawyer or doctor, the OMNI team are seasoned experts in the jet sales industry. Just as you know your industry, we know ours. Day after day, Omni's focus is exclusively on knowing who is buying or selling aircraft and knowing exactly what those aircraft are selling for.

We invite you to learn more about us at WWW.OMNIJET.COM
