

# 1969 Bellanca Super Viking 300 - N7313V

Bellanca, who emigrated from Italy to the United States in 1912, earned a reputation for creating highly efficient airplanes with good low-speed characteristics and high cruise speeds.

The Super Viking 300 holds 72 gallons of fuel. This Balance is equipped with the more luxurious cabin seating and larger fuel tanks. The Vikings retractable tricycle gear is unique as the main gear retract forward into the wing having the nosewheel retracts rearward. Bellanca made it a practice to offer many extra features and N7313V does not disappoint. The Continental IO-520 Series engine cruises in the 190s. Installed is an autopilot, Garmin 430, Garmin GTX 327, SkyDx 4 place oxygen system along with the standard Collins radio/com stack.

N7313V is being offered by On Centerline Aviation, llc. at \$65,900, Call 614-707-1975
