## AVIONICS

### Primus 1000 Avionics System integrated with BendixKing AeroNav 910s.

This replaced the DU-870 tubes with DU-875 displays and the existing Com/Nav units were replaced by Dual AeroNav 910 GPS/FMS/WAAS/LPV units and the addition of maps, charts and blue-tooth connectivity. BendixKing AeroNav 910 units system not only provides pilots with upgraded flight equipment but also increases safety.

## INTERIOR

### Newly Refurbished 8-Passenger Interior December 2021.

Lush 3-tone custom carpet flows throughout the cabin pulling the color scheme throughout. Leather ebony sidewalls and piano black wood accents draw your attention to the soft white seats and headliner. Diamond teal stitching in the seats and satin chrome finishes complement the two-tone interior contrast. Carbon fiber drink rails personify the masculine design.

Specifications and/or descriptions are provided as introductory information only and do not constitute representations or warranties. Verification of specifications remain the sole responsibility of purchaser. Aircraft is subject to prior sale, lease, and/or removal from the market without prior notice. SPECIFICATIONS AS OF JUNE 20, 2022.

## EXTERIOR

Paint completed December 2021

A striking paint job embodies the same interior boldness and masculinity. Silver envelops the entire body of the aircraft. Teal angled stripes with black arching lines behind the teal wrap the aircraft from the nose to tail including the engine cowlings. This fully customized, head turning paint job was accomplished thanks to Okeechobee Paint Center.

*Aztec Silver, Charcoal Gray with SW 6788 Capri Striping*
