

N62FG 2023 Tecnam Aircraft Astore s/n 078

N62FG ft Astore s/n 078 SPEC SHEET

Aircraft Description:

The Astore's performance and control feel are matched only by the incredible view - whether looking at the aircraft from the outside or gazing out from the inside. The sliding canopy makes for easy pilot entry and adds to the sporty appearance. The roomy premium interior includes leather seats that slide fore and aft, and pivoting headrests for easy access to baggage compartment - all combining to give this aircraft a classy, luxurious feel.
