

N9974Q  
1953 Piper PA-18-180 Super Cub  
s/n 18-4033

SPEC  
SHEET

### Aircraft Description:

This Piper Super Cub completely built by CubCrafters in 1991 is a true gem that embodies the spirit of aviation with the best updates and modernizations. This particular model has been meticulously maintained, modified, and rebuilt by CubCrafters in 1991. Featuring a 180 hp Lycoming engine and lots of STC's, its reliable and rugged design ensures that it can handle a wide range of missions with ease. It also has metalized fuselage and wings, and many additional updates.
