SPEC
SHEET

Aircraft Description:

The 1975 Mooney M20C combines efficiency, speed, and timeless design in a proven airframe. Renowned for its sleek, aerodynamic build, this aircraft boasts a powerful Lycoming engine, delivering exceptional cruise speeds and range at a cost-effective rate. With its sturdy construction and responsive handling, the M20C is a dream for pilots seeking performance and reliability. The comfortable four-seat cabin is perfect for personal or family trips, while the aircraft's reputation for durability ensures long-term value.
