SPEC  
SHEET

### Aircraft Description:

Introducing this 1968 Piper PA-28R-180 is a timeless blend of performance, reliability, and affordability, perfect for pilots seeking a versatile aircraft. Equipped with a retractable landing gear and a robust, low time 180-horsepower Lycoming engine. Its roomy cabin comfortably seats four, with ample space for luggage, making it ideal for both cross-country adventures and local flights. With classic Piper craftsmanship and accessible maintenance, this aircraft offers a perfect entry point to complex aircraft ownership without compromising on capability or style.
