Aircraft Description:

Introducing this 1991 Socata TB-20 Trinidad. A sleek and versatile aircraft powered by a Lycoming IO-540 engine, this high-performance four-seater offers an excellent cruising speed and range, making it perfect for business trips or weekend getaways. Its spacious, luxurious interior and IFR equipped avionics provide unmatched comfort and ease of operation. With its retractable landing gear and stylish design, the TB-20 is a head-turner on the tarmac and a joy to fly in the skies.
