Aircraft Description:

Introducing this 1984 Mooney 201 M20J, just came out of an extensive annual with a Mooney Service Center! This meticulously maintained aircraft features a sleek design and boasts a top speed of 201 mph, making it one of the fastest single-engine piston planes in its class. With a fuel-efficient engine, Garmin GTN 650, and a comfortable interior, this Mooney M20J is perfect for both seasoned pilots and those looking to step up their flying experience. Whether for business travel or weekend getaways, this aircraft promises reliability, speed, and unmatched value.
