

N2092C 1979 Piper PA-28-235 Dakota s/n 28-7911020 SHEET

Aircraft Description:

Introducing this 1979 Piper Dakota with only 1,000 hours total time. This rugged, versatile aircraft combines strong performance with a high useful load, making it perfect for personal travel or serious cross-country flying. Powered by a dependable Lycoming 235-hp engine, the Dakota offers impressive climb rates, excellent short-field capabilities, and a roomy, comfortable cabin for four.
