2017 JABIRU | 230-D

Introducing this exceptionally equipped LSA 2017 Jabiru 230-D. A sleek, reliable, and efficient light sport aircraft perfect for recreational flying or cross-country adventures. With only low hours on the airframe and engine, this Australian-built beauty features a 120 HP Jabiru 3300A engine, roomy side-by-side seating, and a generous baggage compartment. Its composite construction ensures excellent fuel efficiency and low operating costs, while the modern avionics suite offers everything needed for safe, enjoyable flights.
