2016 GLASAIR | SPORTSMAN GS-2

We are proud to introduce this stunning 2016 Glasair Sportsman GS2 2+2 – a versatile, rugged, and modern performer. Powered by a reliable Lycoming YIO-390 engine, this aircraft offers excellent shortfield capability, spacious 2+2 seating, and the flexibility to handle backcountry strips or cross-country trips with ease. Featuring an IR Garmin glass panel and a never been used float kit. This Sportsman delivers the perfect blend of utility, comfort, and adventure. Whether you're looking for a capable family flyer or a backcountry explorer, the Sportsman GS2 is ready for its next mission.
