2003 DIAMOND | DA-40

Introducing this 2003 Diamond DA40 with a freshly overhauled engine. A sleek, efficient, and highly capable four-seat aircraft perfect for personal travel or training. Powered by the reliable Lycoming IO-360, this DA40 delivers excellent performance with outstanding fuel efficiency and modern handling. With its composite airframe, spacious canopy, and excellent visibility, it offers both comfort and safety. A proven cross-country performer, this DA40 is ready to take you on your next adventure in style.
