1977 MOONEY | M20J

Introducing this exceptionally equipped 1977 Mooney M20J, a true classic known for its efficiency, speed, and reliability. This aircraft delivers remarkable performance with its sleek design, making it one of the most fuel-efficient four-seat airplanes in its class. Featuring a Garmin G3X, GTN 650XI, GFC 500 Autopilot, JPI EDM 930 Engine Monitor, this airplane is ready for any mission.

This airplane flew from Anchorage to Oshkosh and back July 2025 cruising at 130 KTS at 6.5 GPH and 150 KTS at 9 GPH. It will also be flying from Anchorage to Knoxville, TN end of September 2025. A great opportunity to own a proven workhorse that's ready to fly.
