1993 PIPER | PA 46-350P MIRAGE

Introducing this 1993 Piper PA-46-350P Mirage based out of Pawcatuck, CT. Annual inspection performed June 2025 and sold with a clean title. This airplane was privately flown, the current owner is selling the aircraft simply because they're not flying it as often as they'd like. Powered by a Lycoming TIO-540 engine that delivers a smooth and powerful flight experience, cruising at speeds up to 225 knots with a range exceeding 1,000 nautical miles. The Mirage's pressurized cabin allows for comfortable high-altitude operations, while its executive-style interior provides seating for six in a refined and spacious environment.
