2001 SOCATA | TB-20 TRINIDAD

Introducing this TB20 coming off a fresh November annual and strong compressions! This Trinidad has been hangar-kept its entire life and the paint and interior reflect this. Equipped with three Garmin GI 275s, GTN 750, and more upgrades perfect for any cross-country adventure. The propeller was overhauled in December 2023 and has 56 hours. The current owner of 18 years is selling simply to transition into a Cirrus. A fantastic opportunity to own a well-cared-for, high-performance Trinidad with excellent pedigree and updated avionics.
