2008 CIRRUS | SR20 G3 GTS

G-JOID is a 2008 SR20 G3 that is currently based and hangared in Bournemouth, UK. The current owner is upgrading to a newer model Cirrus so they are ready to see this one go to a new loving home. The aircraft has been well cared for with a new crankcase installed in September 2021, along with an upgraded autopilot, and a fresh November 2025 annual. Assistance with export to the US is available at buyer's expense.
