## 2006 CIRRUS SR20

Introducing this 2006 Cirrus SR20 equipped with the Avidyne R9 Entegra integrated avionics suite. This aircraft combines modern glass-panel capability with Cirrus performance and comfort, offering exceptional situational awareness and ease of operation. Featuring a well-maintained airframe and CAPS parachute system. This SR20 is ready for both training and cross-country missions. A perfect balance of safety, technology, and value in a sleek composite design. There are other similar aircraft available in this fleet, contact us for more information. Please visit [www.AircraftBidder.com](http://www.AircraftBidder.com) for more information.
