## 2003 MAULE MT-7-235

This well-equipped 2003 Maule MT-235 is a versatile utility aircraft ready to work. With an annual inspection due June 2026, it offers peace of mind and operational readiness. Outfitted with a TOST tow reel and release system, this aircraft is an excellent platform for glider towing operations while still maintaining the rugged performance Maule aircraft are known for. The panel includes WAAS capability and a Garmin GTX 345 ADS-B In/Out transponder, providing modern compliance and enhanced situational awareness. A dependable, mission-ready Maule ideal for operators seeking performance, simplicity, and capability. Please visit [www.AircraftBidder.com](http://www.AircraftBidder.com) for more information.
