AIRCRAFT BIDDER

1993 BEECHCRAFT F33A BONANZA

This well-maintained 1993 Beechcraft F33A Bonanza presents an excellent opportunity to own one of general aviation's most respected high-performance singles. Owned and operated by Kansas State University, this aircraft reflects consistent institutional care and professional operation. It features 6,330 hours total time with 1,132 hours since major overhaul, along with a low-time 3-blade McCauley propeller. The F33A Bonanza is renowned for its smooth handling, speed, and legendary build quality—making this a capable and dependable platform for both personal travel and serious cross-country flying. Please visit www.AircraftBidder.com for more information.
