AIRCRAFT BIDDER

1979 CESSNA P210N

This 1979 Cessna P210N is a capable pressurized single ready for serious cross-country flying. Featuring a fresh March annual, this P210N has 4,400 hours total time with only 155 hours on a new engine. IFR current and equipped with an ADS-B In/Out transponder, it offers both capability and compliance for today's airspace. A strong performer with excellent utility, this P210N is an ideal platform for pilots seeking speed, efficiency, and the comfort of pressurized flight. This aircraft is being sold by the executor of the former owner's estate, it has had one owner since new. Please visit www.AircraftBidder.com for more information.
