## 1973 PIPER PA-28R-200

N56461 is a well-cared-for 1973 Piper Arrow with a knowledgeable owner who flew the aircraft for years prior to ownership, bringing confidence and consistency to its operation. Always hangared, this Arrow features a modern Garmin panel highlighted by the GTN 750Xi, dual GI 275 ADAHRS, GI 275 EIS, and the highly capable GFC 500 autopilot—making it an excellent blend of classic airframe and cutting-edge avionics. The interior was redone in 2020, offering a clean and comfortable cabin. This aircraft is ready for its next mission, as the current owner transitions into a Cirrus.
