2021 VULCANAIR VI.O

Introducing this 2021 Vulcanair VI.O, N121VA is an exceptional four-seat aircraft ready for its next owner. With 1,490 total time and powered by a reliable Lycoming IO-360 180 HP engine, it delivers strong performance and efficiency. The panel is equipped with a Garmin G500TXi PFD, Garmin GI 275, and Garmin GTN 650, along with ADS-B In/Out for full situational awareness. Combining sleek design with advanced avionics, this VI.O offers a refined flying experience ideal for both personal and cross-country missions.
