1983 PIPER PA-28RT-201T ARROW IV

Introducing this 1983 Piper PA-28RT-201T Turbo Arrow is a well-cared-for, hangar-kept aircraft with no known damage history, making it an excellent option for pilots seeking a capable and efficient complex airplane. Equipped with a Garmin GTN 650 for modern IFR capability and a reliable Bendix autopilot, it's well suited for both cross-country travel and training. The owner is selling due to flying less frequently, presenting a great opportunity to own a solid, proven Turbo Arrow that's ready for its next chapter.
