AIRCRAFT BIDDER

1973 CESSNA 172M

Introducing this 1973 Cessna 172M! The airplane is currently undergoing a fresh annual inspection, offering peace of mind to its next owner, and is equipped with ADS-B out for full compliance with modern airspace requirements. Known for its dependable performance and versatility, this 172M is an excellent platform for training, time building, or personal travel. The owner is upgrading to a Cirrus and looking to send this Cessna off to its next happy home, creating a great opportunity to own a classic and proven aircraft.
