INTERIOR (*New Interior in 2016*)

The aircraft is configured with a recently refurbished fourteen (14) passenger interior. When configured for overnight flights the cabin can comfortably sleep up to six (6) passengers.

The forward cabin includes a four (4) place club configuration with fold out tables.

The mid cabin of the aircraft has a four (4) place certified belted divan opposite two (2) club seats.

The aft section of the aircraft includes a four (4) place conference group opposite a credenza.

The aft galley is fully equipped with hi-temp oven, microwave, coffee makers, sink, granite counters and ample storage space for meal preparation.

The interior is equipped with a full-service aft lavatory with vanity as well as crew lavatory in the forward vestibule of the aircraft.

Completely new interior in 2016 by Executive Aircraft Interiors.

ENTERTAINMENT

AirCell Gogo Biz w/ATG-5000 Wi-Fi

Airshow w/cockpit display

DVD/CD player and personal controls

14-inch LCD monitor above aft credenza's, and large forward cabin LCD monitor on the forward bulkhead.

ABOUT JET EDGE PARTNERS

Jet Edge Partners is a full-service aircraft broker and dealer formed as a division of Jet Edge International. The aircraft sales experts at Jet Edge Partners work to understand the mission profiles, goals, and operational budget of our clientele to ensure they are linked with the best possible aircraft to meet their individual needs. The team is integrated in real time to the movements in the markets and are skilled in projecting future trends in the aviation industry. Throughout their careers, the Sales team at Jet Edge Partners have successfully completed aircraft transactions totaling hundreds of millions of dollars. With offices and sales professionals located throughout the United States, Jet Edge Partners provide clients with the knowledge and understanding of the market needed in order to purchase or sell an aircraft with confidence and unmatched customer service. Jet Edge Partners not only transacts aircraft, but alongside Jet Edge International, it operates, owns, and manages one of the largest fleets in the world, providing clients with operational knowledge and resources unmatched in the industry.
