INTERIOR

New September 2015

This Falcon 2000 presents a spacious and thoughtfully designed ten-passenger executive interior.

The cabin is configured with a forward four-place club arrangement featuring fold-out tables, creating a comfortable setting for conversation or productivity. Aft, a four-place conference grouping sits opposite a two-place club with a fold-out table, offering an ideal environment for meetings in flight. An additional three-place divan in the aft cabin enhances seating flexibility, while a cockpit observer jumpseat provides additional accommodation as needed.

A fully equipped forward galley supports comprehensive onboard service and includes a sink, cold storage, TIA coffee maker with Keurig capability, and a TIA microwave with warming oven, allowing for efficient meal and beverage preparation throughout the mission.

The private aft lavatory features a sink, lighted mirror, and a solid locking privacy door, ensuring comfort and discretion for passengers.

Cabin amenities include 110V electrical outlets, USB ports, and an audio input port to support modern connectivity needs. The aircraft is equipped with an AirCell AXXess ATG-4000 Iridium satellite phone system with two handsets and Wi-Fi capability, keeping passengers connected wherever they fly.

EXTERIOR

New September 2015

Fuselage, wings, nose and tail overall Matterhorn White and Grey w/Blue & Red accent stripes.
