AIRCRAFT

888-LONEMTN (566-3686)

2005 CIRRUS SR22 G2 GTS (G-OOUK)
S/N 1463

**SPEC
SHEET**

Lone Mountain Aircraft are proud to bring to market this very well cared for SR22 G2 GTS. With only 661 flight hours and her whole life spent in a hangar the paint on this aircraft is almost like new. She is also in fantastic condition inside and her upgraded avionics including touch screen GPS/NAV/COM upgrades (IFD440 & 540), ADS-B out transponder and Digital Autopilot breath fresh air into the panel making her a comfortable and modern tourer. Being ADS-B out compliant and having previously been on the US Register she would have no problem finding her new home in the USA. However with UK VAT paid G-OOUK presents fantastic value to UK buyers as well.

Transition Training is included in the purchase of this aircraft through Cirrus Embark Program.

Financing is available with low rates call us today to learn more about this and any of our other Cirrus Aircraft available for sale!
