Ready for a long summer of flying, this nearly-new 2020 Aviat Husky A-1C-180, is a head-turner. You'll never tire of enjoying the sleek exterior lines and rustic, hard-wearing leather interior.

HB-KMJ is an IFR-capable STOL aircraft, ensuring you have the safety and comfort of knowing you can get into and out of any strip or airport. The large 29" Alaskan Bushwheel tires are the icing on the cake, making this a fun, utilitarian addition to your hangar. Or pop on the skis and get your fill of glacier landings.

Training options are available.
