2019 CESSNA 208 Caravan (N982TP)
S/N 20800651

**SPEC
SHEET**

N982TP is a beautiful low-time, one-owner 208 Caravan with all the right equipment to keep you comfortable and safe. Based since new in dry country Texas, 2TP Caravan has the Garmin G1000 NXi Avionics suite coupled to the 3-axis Garmin GFC700 Autopilot for reduced pilot workload. XM weather together with onboard Garmin weather radar will keep you aware, while the Garmin FlightStream and Iridium Receiver will keep you connected! Comfort is what this Caravan is all about – Factory oxygen for those long trips, air conditioning for the hot and muggy days and the executive Oasis interior from Yingling to sit back and relax. Four full swivel and reclining chairs along with a two-place rear bench seat allows for maximum fun for six passengers while the crew get matching material seats with full sheepskin covers.

Many high-res photos and logs available upon request

Low rates and flexible term financing is available, so call us today to learn more about this and any of our other Aircraft available for sale!
