Lone Mountain is proud to present N503LA – a sharp, one-owner Xi Edition 2018 SR22T G6 GTS! This airplane has been maintained by Cirrus Service Centers, has always been hangared, and has no damage history. The Perspective+ Avionics with GFC700 autopilot is complimented with all the GTS options (& more!) resulting in precision flying capability. The cabin is equipped with five seats and a 60/40 split rear bench seat. FIKI, Air Conditioning, a recent June 2023 annual, and warranty through December 27th, 2023, top off this amazing find. Travel cover, cowling plugs, chocks, tie-downs, a Start Pac Portable Power Supply (great for avionics practice and updating charts), and 4 Bose A20's headsets included.

Transition Training is included in the purchase of this aircraft through Cirrus Embark Program.
