

2005 CIRRUS SR22 G2 Turbo (N584CD)
S/N 1652

**SPEC
SHEET**

Don't miss this amazing opportunity to own an updated and meticulously maintained, low engine time G2 Turbo. A rare and very unique aircraft that has a recently overhauled engine and its turbo components plus a new propeller. The aircraft is fitted with a whole aircraft Jet Shades package that results in a 20 degree decrease in cabin temperature and blocks 99.9% of UV, 70% of infrared heat and glare and makes the aircraft considerably cooler in ramp and taxing conditions.

Fresh annual completed in March 2024. This provides a perfect opportunity for a fly-away aircraft that avoids pre-buy inspection costs.

Embark training available for owner pilots who qualify.

Low rates and flexible term financing is available so call us today at 888-566-3686 to learn more about this amazing aircraft!
