PILATUS PC-12NG

This PC-12NG showcases the 4-Blade Propeller along with nice cosmetics. Adaptable. Safe. Reliable. Proven. These are terms frequently used to describe the PC-12, underscoring the widespread trust placed in this aircraft among those who use it to conduct their business. Additionally, comfort, efficiency, and time-saving advantages further enrich the experience for those traveling aboard the world's most sought-after single-engine business aircraft. The PC-12's exceptional residual values, economical operation, and track record of safety, spanning over seven million flight hours and with a fleet of over 1,900 aircraft, unequivocally affirm its status as one of the premier investments in business aviation.

PILATUS PC-12NG – N535MJ
