Nicely cared for and tremendous hauler 206H Stationair. Delivered with fresh annual inspection! Compressions are all still in the high 70s indicating some life left in the engine before needing to do an overhaul, combined with new magnetos make this a great family flier! Paint and interior is in fantastic condition and always hangered.

Low rates and flexible term financing is available, so call us today at 1-888-566-3686 to learn more about this and any of our other aircraft available for sale!
