2021 CITATION M2

N525GW is a stunning, low time Citation M2 in excellent condition. Equipped with the updated 4.8 Hardware/Software from Garmin! The G3000 Avionics Suite in 5GW is optioned with TCAS II, TAWS-A, Windshear, Turbulence Detection and MUCH more. On the inside you'll find two sheepskin covered crew seats with an available six passenger cabin. Writing tables, outlets and cabin Clarity System keep all passengers comfortable. The exterior was designed to be sleek with bold colors the styling extends to the wings and winglets! The DOC 10 inspection is currently scheduled for early December 2024 at Textron Mesa – perfect opportunity to secure a year-end closing with inspection.
