AIRCRAFT

888-LONEMTN (566-3686)

Private: 2011 Gippsaero GA8 Airvan (G-CSPT)  
S/N GA8-TC 320-11-161

**SPEC  
SHEET**

Lone Mountain Aircraft is pleased to bring this meticulously maintained Turbocharged GA8 Airvan to market. The Airvan is known for being a versatile workhorse for aerial surveying, cargo transport, skydiving operations, sightseeing and many other applications. This aircraft has spent most of its life as a formation camera ship for warbird pleasure flights. It has only been flown by professional pilots in this role and has
