

LONE MOUNTAIN
AIRCRAFT

888-LONEMTN (566-3686)

2019 Cessna Citation M2 (N5NC)
S/N 525-1038

**SPEC
SHEET**

N5NC is a great looking, one Midwest owner Citation M2 in excellent condition. In the cockpit you will find the Garmin G3000 Avionics Suite equipped with the updated 4.8.11 Software! A few great avionics options include the Cockpit Voice Recorder & Iridium Satcom (Connex Weather, Talk & Text). The interior has black leather seats with perforated inserts, carbon fiber trim and inlays with the savannah package sidewalls and headliner. A Textron modification was completed to provide more seat travel and recline to the copilot seat which results in the side facing seat being unbelted. The original bulkhead and seatbelts are available to bring back to original. The exterior has had Permaguard applied to protect and preserve the finish. N5NC is fully enrolled in Williams TAP Blue and Textron ProParts. Don't miss your chance to own this wonderful example of the M2. Many high-res photos, logbooks & status sheets available upon request.
