

Lone Mountain Aircraft is pleased to present N627WL – a fully loaded Amphib Aviat Husky that is ready for Summer flying! 7WL annual inspection just completed which makes the perfect opportunity to be ready for float season! Have it all with this Husky – Wipaire 2100A Amphibs, Tundra Tires, IFR Panel, Auto Pilot and much more. The exterior is striking and will turn heads wherever you land! Both interior and exterior show as new. Don't miss the opportunity to own this like-new beauty. All logbooks are scanned and available. Many more high-res photos upon request.
