

This meticulously upgraded, 2-owner 2012 Cessna Citation CJ3 is a true gem. With a 2022 complete interior and exterior refurbishment, this jet is keenly ready for operation both in the US and abroad with a full HF and CVR installation as well as AeroWave 100 SATCOM/Lite Internet system and Gogo ATG-5000 WiFi. The aircraft is on CAMP and TAP Blue engine program and you'll find that the plane was serviced almost entirely serviced at Textron service centers.
