

Lone Mountain Aircraft is pleased to bring to market N5064W, a ready to go G36 Bonanza. One owner since new and always hangered in the Midwest. All maintenance has been done at well known Beechcraft service centers. The avionics were upgraded to the Garmin NXi suite in 2023 where FlightStream was also added! The new processors are faster and run the newest features from Garmin. Traffic, Terrian, Weather, Synthetic Vision are all installed helping keep your situational awareness up! In 2021 the engine was sent to Poplar Grove for Camshaft and Lifters – The whole engine was gone through and is ready for many more hours of service. 64W is ready for summer flying with the all-digital environmental system with Factory Airconditioning!! Exterior and Interior are in fantastic condition and the overall white exterior would
