This stunning 2020 Cirrus SR20 is an ideal personal aircraft, offering the perfect blend of comfort and performance. It is equipped with factory-installed air conditioning to keep you and your passengers comfortable, and the advanced Garmin Perspective+ NXi avionics suite for a state-of-the-art flight experience. With a generous useful load of 965 lbs, this aircraft is perfectly suited for weekend trips or longer cross-country adventures.

Transition Training is included in the purchase of this aircraft through Cirrus Embark Program for eligible pilots.

Low rates and flexible term financing is available, so call us today at 1-888-566-3686 to learn more about this and any of our other Cirrus Aircraft available for sale!
