2018 EMBRAER | PHENOM 300E

Premium & Lifestyle-Focused

Experience the freedom to go farther, faster, and in style with the Embraer Phenom 300E. Recognized globally as the top-performing light jet, the 300E offers unmatched versatility—perfect for quick business trips or weekend getaways. Its cabin blends modern luxury with advanced ergonomics, while cutting-edge avionics ensure every flight is as smooth as it is efficient. With the Phenom 300E, every journey becomes a statement in performance, comfort, and sophistication.

Aircraft is scheduled for Hot Section inspection mid-October and available for inspection December 13 for 2025 delivery.
